Safety Issues

- Please walk children into the preschool and pick them up in the preschool. Please do not let the children climb on the landscaped hillside and keep them on the inside of the stairs.
- Please do not bring pets into the preschool. Due to our licensing regulations, pets are not allowed.
- Please remember that snacks need to be pre-packaged and store bought.
- We are required by the Department of Family Services to have a monthly fire drill here at the preschool. We are also required to have an Emergency Preparedness Plan. If you have not received a copy of this, or the Handbook, please see a teacher.
- Please be mindful of posting pictures on social media that include other children. Some parents do not want their child’s picture posted. Pictures that we take at the preschool will only be posted to our closed Facebook group.

If you have any questions or concerns, feel free to visit with us. We want you and your child to be comfortable and enjoy your time spent at the preschool. We are looking forward to a great year!
